

Summative Assessment – Exploring Explorers

January/February 2009

Student Name: _____ Class: _____ Peer Assessed by: _____

Explorer Name: _____

Skills	Exceeding Expectations 4	Meeting Expectations 3	Approaching Expectations 2	Not meeting Expectations 1	Peer Score	Teacher Score
Social Cooperating 	Effectively contributed to gathering the required information for the group's explorer and always considerate of others during discussions and work sessions.	Worked cooperatively in the group, courteous to others, shared materials & information with others.	Usually worked cooperatively with all group members and shared some information with the group.	Had difficulty working in a group environment and being courteous to others AND/OR was not able to share any information on the group's explorer.		
Thinking Synthesis 	Independently located at least 3 reliable, interesting information sources.	Using more than one source to find information on an explorer.	Locate more than one reliable information sources with some assistance from peers or adults.	Locate more than one reliable information sources with assistance from peers and/or adults.		
Communication Note taking 	Effectively paraphrasing and summarising materials.	Used paraphrasing and summaries in note taking.	Some attempt to use paraphrasing and summarising in note taking.	A lot of notes copied directly from their source without paraphrasing or summarising.		
Self Management Organisation of notes 	Developed a clear plan for organising the information as it was gathered.	Sorted and categorised information into understandable forms i.e. narrative descriptions, tables, timelines, diagrams.	Some attempt to sort and categorise information as it is collected.	No clear plan for organising the information.		
Self Management Time management 	Developed a reasonable, complete timeline of when different parts of the work will be done. Completed all required elements to a high quality standard.	Used time effectively and appropriately to complete all required elements.	Used time effectively and appropriately however, not all the required elements were completed.	Not able to use time effectively or appropriately AND/OR much of the assignment was incomplete.
